## EDUCATION

- MSC IN INFORMATION TECHNOLOGY**  
Aalborg University Copenhagen
- BA IN WEB DEVELOPMENT**  
Zealand - Academy of Technologies and Business

## WORKING EXPERIENCE

### FRONTEND DEVELOPER

InPay, Copenhagen | 2022 - Present

- Took the lead in introducing React, working on the initial setup and migration from Ruby
- Helped build and maintain a shared design system and reusable component library
- Participated in sprint planning, retrospectives, and release coordination in an agile environment

### FRONTEND DEVELOPER

ITU, Copenhagen | 2022 (contract)

- Developed the first version of the "Write with Laika" app using React and TypeScript.
- Worked closely with product and backend teams to align on features and functionality
- Documented frontend workflows and setup to support handover and long-term maintainability

### FRONTEND DEVELOPER

Too Good To Go, Copenhagen | 2019 - 2022

- Built and maintained key app features using React, Redux, and Material UI
- Integrated internal APIs and third-party services in close collaboration with backend teams
- Collaborated closely with product and design
